Submitted: February 27, 2024

Decided: February 29, 2024

Before WILKINSON, WYNN, and HARRIS, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Boyd Allen Gamber, Appellant Pro Se. Deborah E. Greenspan, BLANK ROME LLP, Washington, D.C. for Appellee Eastman Chemical Company.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Boyd Allen Gamber appeals the district court's order denying his claim for relief against West Virginia American-Water Company. We have reviewed the record and discern no reversible error. Accordingly, we affirm the district court's order. *Gamber v. W. Va.-Am. Water Co.*, No. 2:14-cv-01374 (S.D.W. Va. Sept. 8, 2023). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
